

Party at NPM

Why not try something truly different for your next birthday, office party or other special event? Book your private event at NPM and your friends will be thanking you for saving them from another ho-hum, run-of-the-mill, cookie-cutter party! And, unlike most other venues, when you book a party at NPM you won't have to compete with six or 10 other parties – you'll have exclusive use of our private party room for the duration of your party (or book an off-hour event and have exclusive use of all our exhibit areas).

National Pinball Museum is the only place in the Washington, DC area to have a pinball party!

Pinball parties are the perfectly fun way to celebrate every occasion:

Birthday

Fundraiser

Anniversary

Team Building

Graduation
